FACULTY SENATE
LA SALLE UNIVERSITY
1991-1992

To: Members of the Faculty Senate

From: David J. Cichowicz, Secretary

Re: Minutes of the Third Meeting of the 1991-92 Faculty Senate --
17 October 1991.

Present: Angerosa, Cichowicz, Colhocker, DiDio, Diehl, Dondero, Donnelly, Franz,
Halpin, MacLeod, Merians, Millard, Miller, Otten, Reardon, Seydow, Wall,
Wiley, Wolf.

Absent: Brogan (excused), Feden (excused).

The minutes of the 17 September 1991 were unanimously approved as written (14-0-0)
(5 Senators were not yet present).

The three Faculty members nominated and approved by the Senate at the September meeting to serve on the Performance Assessment Review Committee (PARC), have all declined. Therefore, the Committee on Committees was asked to nominate a Faculty member, a backup and a second backup for each of the three Faculty slots on PARC. As the Executive Committee had previously suggested, the Committee on Committees nominated Faculty members such that there would be representatives from Arts, Business and Science on PARC. The Senate approved nine nominations and these Faculty members will be contacted in succession to see if they are willing to serve on PARC.

The Senate then continued its discussion about the current status of the Performance Assessment program which it began at the September meeting. The Executive Committee presented a statement and a proposal concerning the matter that would ultimately be forwarded to the Provost. After some discussion, the Senate voted (18-0-1) in favor of making a statement concerning the current status of the Performance Assessment program. Further discussion ensued as to the actual content of the statement. Several modification to the Executive Committee's statement were suggested and a revised statement was read. The Senators then gave preliminary approval to the statement.

The discussion then shifted to the Executive Committee's proposal concerning the Performance Assessment program. Much discussion took place regarding the current status of the program and several suggestion were made. In the end, the Senators decided to allow the Executive Committee to incorporate the ideas presented and work out the wording of the proposal for the next Senate meeting.

The next agenda item was a proposal to change the length of term for some of the Senate's elected officers to achieve better continuity especially on University Council. The Executive Committee presented the following rules for governing the terms of internally elected officers of the Senate.

a) Secretary and Vice-President

- Eligible for election in any year of Senate term.
- One year term, renewable.

This proposal was accepted (19-0-0).

b) Representatives to Council

- Eligible for election in first or second year of Senate term only.
- Two year term (staggered).

This proposal was accepted (19-0-0).

c) Senate President

- Eligible for election in first or second year of Senate term only.
- Two year term.
- Electable for one additional year if elected in first year of Senate term.

This proposal was accepted (17-1-1).

The Senate adjourned at 4:35 p.m.

Director, Honors Program

Date: December 6, 1991

To: All Members of the LaSalle Community

From: John S. Grady

As a capstone to their first semester of studies in the Honors Program, a group of students will make a presentation focusing on the quite topical issue of "cultural diversity" and a liberal education. These students have been working with two of their teachers in particular, Drs. Michael Kerlin and William Sullivan, in preparing this symposium.

As you will note from the description on the reverse side, there will be other La Salle faculty taking part in the presentation as well as several guest speakers from off campus who have been quite vocal on this topic. This mix of participants should make for a most interesting session.

If you have some free time on Thursday afternoon, December 12th, between 1:30 and 3:30 we do hope you will join with us. The meeting will be in Olney 100.

I. SMOKING POLICY.

Council unanimously approved with minor emendations a smoking policy proposed by the Health Services Advisory Committee. The policy, which will become effective on January 1, 1992, is appended to these highlights.

II. OTHER TOPICS.

Council briefly discussed questions and points related to the topics of how we celebrate ourself and the Pennsylvania Master Plan for Higher Education.

Gerald J. Johnson
Secretary

LA SALLE UNIVERSITY

SMOKING POLICY

I. BACKGROUND AND PURPOSE

Medical evidence has shown clearly for many years that smoking is harmful to the health of smokers. The Surgeon General of the United States determined that cigarette smoking causes over 350,000 preventable deaths annually in this country. Furthermore, numerous recent studies have concluded that there are also serious health risks to non-smokers from passive exposure to cigarette smoke. In addition, Pennsylvania State Law requires employers to develop, post and implement a policy to regulate smoking in the workplace.

This policy is intended to promote a healthier environment for all members of the La Salle community, smokers and non-smokers alike.

II. POLICY

Smoking is **not** permitted anywhere in any campus building unless a building, area, or room has been identified as a "**Smoking Permitted**" facility/space by appropriate signs.

Specific areas:

- (a) Smoking is **not** permitted in any classrooms, public offices, hallways, or stairways in all buildings;
- (b) Private offices - Faculty and Administration - Faculty and staff in **fully enclosed private offices** may designate their offices "**Smoking Permitted**";
- (c) Each University dining area, i.e., North Dorm Cafeteria, Food Court, Faculty Dining Room, may have a clearly designated "**Smoking Permitted**" area. All other areas must be smoke-free. Seating must be arranged so that smokers and non-smokers are placed in contiguous groupings. The Director of Food Services will be responsible for clearly designating and posting "**Smoking Permitted**" areas in the dining facilities;
- (d) The smoking policy in all University student residence facilities will be developed by the Resident Life Office, with the understanding that all common areas, including hallways, stairwells, bathrooms, and lounges will be smoke-free;
- (e) Smoking is **not** permitted in any University-owned vehicles, including shuttle buses and security vans.

No tobacco products, including cigarettes, cigars and pipe tobacco, or smoking materials will be available for purchase on campus.

(continued)

III. RESPONSIBILITY AND ENFORCEMENT

The responsibility to abide by this policy rests with each University student, staff and faculty member, and guest. Thoughtfulness and consideration of smokers and non-smokers alike is requested in observing this policy as designated.

The Physical Facilities Department will be responsible for acquiring, posting and maintaining "NO SMOKING" signs, as needed, and "SMOKING PERMITTED" signs in designated areas.

Concerns regarding the implementation and enforcement of this policy should be brought to an immediate supervisor or area director for resolution. If questions or concerns continue, they should be referred to the Health Services Advisory Committee (extension 1565).

**Approved by University Council, December 2, 1991.
Effective as of January 1, 1992.**
